Expiration Date: December 31, 2014

#### IS AUTHORIZED TO:

Voucher (by surveying, monitoring and trapping) for the presence of wildlife in Florida, pursuant to Rules 68A-5, 68A-9.002, 68A-25 and 68A-27, F.A.C., the Florida Fish and Wildlife Conservation Commission's (FWC) Small Mammal Trapping Protocol, the ASM Guidelines for Animal Care and Use (J. Mammalogy 79 (4): 1416-1431) and in accordance with the following provisions/conditions.

AUTHORIZED LOCATION(S): **Florida Bluebird Society (represented by Mr. Bill Pennewill) is authorized statewide.**

Permittee Signature: Bill Pennewill Date: 9/21/11

Not valid unless signed. By signature, confirms that all information provided to issue the permit is accurate and complete, and indicates acceptance and understanding of the provisions and conditions listed below. **Any false statements or misrepresentations when applying for this permit may result in felony charges and will result in revocation of this permit.**

Authorized By: Brad Gruver

Authorized for: Nick Wiley, Executive Director

Authorizing Signature: Bradley J. Gruver  
Species Conservation Planning Section

Date: 09/21/2011

#### PERMIT CONDITIONS AND PROVISIONS:

- 1 Non-listed birds, especially Eastern bluebirds (*Sialia sialis*), and their nest boxes may be monitored at the above authorized location per the objectives and methods described in the Permittee's June 29, 2011 permit application (and supplemental request dated August 3, 2011), the assurances of which are herein incorporated by reference.
- 2 Permittee(s) are to inspect nest boxes without disturbing (touching) nests, eggs, or young during the breeding season. Permittee(s) are to clean out the nest boxes after the nest season has passed in order to allow re-nesting in subsequent years.
- 3 Any injury and/or mortality of listed species must be reported to this office within 48 hours via fax at (850) 921-1847 or email at [wildlifepermits@myFWC.com](mailto:wildlifepermits@myFWC.com). Disposition of those specimens is subject to individual approval by the Commission.
- 4 The activities authorized under this Permit may be carried out by the Permittee or Authorized Agent (if

applicable) and any employee or contractor under their control as Subpermittees/Assistants. Accordingly, all such activities are the responsibility of the Permittee or Authorized Agent. The Permittee and Authorized Agent shall be as fully responsible for any such activities to the same extent as if they had themselves carried out those activities under this Permit. The Permittee or Authorized Agent shall submit the name and contact information of designated Subpermittees/Assistants to the Protected Species Permit Coordinator at [wildlifepermits@myfwc.com](mailto:wildlifepermits@myfwc.com) prior to that Subpermittee/Assistant conducting any activities authorized under this permit. The FWC reserves the right to deny a Permittee's designation of an individual as its Subpermittee/Assistant for just cause.

- 5 This permit does not authorize access to any public or private properties. The Permittee (and his designee) must secure permission from the appropriate landowner or land manager prior to conducting any activity authorized under this permit.
- 6 This permit is nontransferable and must be prominently posted on the Project site or carried on authorized individual's person for inspection by all authorized officials (including but not restricted to FWC, USFWS, local building and zoning, law enforcement) at all times while engaging in the permitted activities.
- 7 The Permittee by signature above confirms that representatives of the Florida Fish and Wildlife Conservation Commission (Commission) have his/her permission as the Permittee, and that of the landowner(s) to enter on and inspect the property(ies) described in the application (herein incorporated by reference) and any documents associated with this permit for all reasonable purposes pertaining to applicable Commission rules.
- 8 A detailed report of all activities engaged in pursuant to this permit must be submitted within 90 days subsequent to permit expiration or upon application for permit renewal, whichever is precedent. Said reports should be directed to the Protected Species Permit Coordinator, Species Conservation Planning Section, by email at [wildlifepermits@myfwc.com](mailto:wildlifepermits@myfwc.com). Requests for permit renewal should be submitted at least 45 days prior to the time it is needed. Copies of any other reports or publications, which result from the work, must also be provided upon their availability.
- 9 This permit can be suspended, revoked or not renewed for just cause, pursuant to 68A-5.004, Florida Administrative Code and Chapter 120, Florida Statutes.

**A person whose substantial interests are affected by FWC's action may petition for an administrative proceeding (hearing) under sections 120.569 and 120.57 of the Florida Statutes. A person seeking a hearing on FWC's action shall file a petition for hearing with the agency within 21 days of receipt of written notice of the decision. The petition must contain the information and otherwise comply with section 120.569, Florida Statutes, and the uniform rules of the Florida Division of Administration, chapter 28-106, Florida Administrative Code. Upon such notification, the Permittee shall cease all work authorized by this permit until the petition is resolved. The enclosed Explanation of Rights statement provides additional information as to the rights of parties whose substantial interests are or may be affected by this action.**
